The
Terrible Thing
about Cindy

The terrible thing about Cindy
Is she packs a powerful punch.
I learned this yesterday at school
When I tried to take her lunch.

I had only meant to tease her,
To make her squeal and twist.
The last thing I expected
Was her calculated fist.

She socked me in the stomach—
She's more than slightly deft—
And sent me stumbling to my knees,
As she snatched her lunch and left.

After that I was quite sorry
I had tussled with a pro—
I wish my friends had told me
That she practiced tae kwon do.
