The rainbow fish needs our help. Please read this letter to your child. If you have a printer please print out the fish template and allow your child to give the rainbow fish some colourful new scales. You can use markers, crayons or stick different coloured pieces of paper on each scale. Otherwise perhaps you could draw the rainbow fish for your child so that they can decorate the scales.

Dear children

My name is Rainbow Fish and I need your help! I haven't been feeling well over the last few days and now my scales (which are usually bright and colourful) have all turned white!

I miss my brightly coloured scales and I know you are very kind and helpful so could you give me some new colourful scales?

Thank you children!

Love From

Rainbow Fish
