

Noddy

Do you like books? The *Noddy* books are a famous set of very old books. The books are all about a little wooden boy called Noddy.

Noddy lives in Toytown. He got his name because his head nods a lot. You can hear Noddy coming because when his head nods the bell on his hat rings.

Noddy has a red and yellow car. Sometimes he hoots the horn on his car. Noddy also has an aeroplane. He loves his car and he loves his aeroplane.

Mr Plod is the policeman in Toytown. Sometimes he is not happy. He does not like when Noddy does not drive carefully. Sometimes Noddy drives quickly. Sometimes he bumps into things. Sometimes he does not stop in time. Mr Plod blows the whistle. He gets cross with Noddy.

Lots of other people live in Toytown. Martha Monkey and Bumpy Dog are some of Noddy's friends. Sly and Gobbo are two naughty goblins. They are not very nice. They play lots of tricks on poor Noddy.

A Answer the questions.
