**Story: (Look at the picture above)**

Mrs Shaw has just had a baby. The baby is called Shannon. Sam is her elder brother. He thinks she is good, but she cries a lot. While his mother tries to get Shannon to sleep, Sam goes and plays with his toys. He plays in his shop with his cash register. It makes a very loud 'ting' when the cash drawer opens. "shshshshsh," whispers Mrs Shaw, putting her finger to her lips, "Shannon is nearly asleep. Let's go downstairs for a while." "OK" says Sam, adding, "shshshsh!" as they tiptoe quietly from the room.

Can you find anything beginning with sh in the picture?

Our new letter sound for this week is the sh sound. Go through the name, sound and action for this letter. Children can also think of words where they hear the sh sound in them. In some words, the sh is at the beginning of the word. In other words, it is at the end of the word. See can your child sound out these words

shop, fish, sheep, brush.

Action: Place your index finger over your lips and say shshshshsh

If you have your grey jolly phonics pupil book 1 please complete p. 33. If not please write the above sh words on a piece of paper. Remember your finger space. Draw a picture for each word.

Show your child the following sh video. They love alphablocks. [CLICK HERE](#) for video.
