These are the new words for our last core reader 'Where can GG sit?' Before Easter we learned as far as the word 'to'.

This week please revise these seven words. Write each word on a piece of paper and put these seven pieces of paper into their word folder.

New words: Monday - ball (please stick the word ball onto an actual ball at home and leave it there for the week)

Tuesday - bin ( please stick the word bin onto an actual bin at home and leave it there for the week if possible)

Wednesday - up (Please write this word on a piece of paper with a picture of an arrow pointing up)

Thursday - Everyone (please write this word on a piece of paper and put somewhere that your child can see it)

Friday- Yum Picnic (again please write down on separate pieces of paper and stick in front of some items you would bring on a picnic)
