The second card, 'Póstaer - Sa Siopa Milseán', shows them holding up a poster. The third card, 'Tráth na gCeist - Sa Siopa Milseán', shows them with question marks and a microphone icon. Each card includes a brief description of the activity and an 'Open' button.

When you go into 'Sceal - story', you will see this picture.

Always go to the arrow and click on it to hear the story. Then, move on to Foclóir 1 agus Foclóir 2. Again click on the arrow to hear the new word. Your child should be able to play this game. They must listen to the word and click on the correct picture.
