

## Burger's Rash

Winchilla was sleeping  
When she heard a loud crash.  
She ran down the stairs  
As quick as a flash.  
'Oh dear! Oh no!' she said with a groan,  
And ran to the table to pick up the phone.  
'Come quickly! Come quickly!' she said to the vet,  
'I need you right now for my dear little pet.  
Please come in your car.  
You really must dash,  
My poor little Burger has a terrible rash!

-ash crash flash dash rash

Read this rhyme to your child with fun expression. Add some actions.

Ask your child:

What happened to poor Burger?

What does a vet do ?

Did you hear any sh words? What were they?
