

# Wiggle Brain Break Cards

Brain breaks are simple and quick activities that can help to re-charge the brain. They can be done before, during, or after lessons (or any time learners need to “wake up” their brains).

This can lead to better concentration, which helps kids learn!

In this pack, you'll find 23 different WIGGLE Brain Break cards, perfect for the classroom or at home.

Read more about them @

**Terms of Use:** This printable pack was created for you to use at home with your child/students or with multiple children in *your* classroom/tutoring setting. Please **do not** sell, host, reproduce, giveaway, or store on any other site (including a blog, Facebook, 4Shared, Dropbox, etc.). Thank you!
